

The Miller-Dwan Foundation presents

Sacred Moments: Cultivating a Vital Resource for Caregivers

The caregiving you do is hard work. What helps you burn brightly rather than burn out? What is the “something special” that helps you do the work that most people say they can’t? What are the things that make you say, “This is why I became a pastor or nurse or therapist or teacher, etc.” No matter who you are or what you do, join us.

Sacred Moments are energizers. They are moments of connection and conversation that touch, transform and fortify our care to the people we serve.
