8,000 square feet of additional space and expanded parking in planned moved to Miller Hill Health Plaza.

“The Miller-Dwan Foundation not only funds structures, but also builds programs. They continue to fund these structures and programs with things like equipment, staffing and education. We have state-of-the-art equipment because the Miller-Dwan Foundation has purchased that for us in the past, and that will continue to be with us for years and years to come.

The Miller-Dwan Foundation is integral in this. We couldn’t be Polinsky without them. And we couldn’t do what we do without you.”

AMBERWING CENTER FOR YOUTH & FAMILY WELL-BEING

“I didn’t even want to come here, but now I only have three days left. I wish I could stay here forever.”
—Amberwing Program Participant

Amberwing impacts far more people than those we serve. Its programs touch the lives of the parents, siblings, grandparents, teachers, coaches and the communities throughout our region.

In 2019, Amberwing
• Served 420 children, adolescents and young adults.
• Received 1,336 Amberwing Family Resource Center phone calls.
• Hosted 150 Family and Friends DBT Classes, equipping 1,060 family members with vital coping skills.

I can’t help but cry every time I think about the help you gave us. My son is a different kid.
—Parent of Amberwing Program Participant

SOLVAY HOSPICE HOUSE

In 2019, Solvay
• Cared for 228 Patients, including WWII, Korean War, Vietnam War and Peace Time vets.
• Funded 150 days of Complimentary Compassionate Care.
• Listened. Family and staff suggested we implement a composting practice—the result generated 520 gallons of compost!

“Words can’t express my gratitude for the kind and compassionate care given to my husband while at Solvay. I felt at peace with the first step through the door and knew it was where he needed to be.”

• Patient-family comfort care ensured that families could enjoy the cozy comforts of home with 416 loaves of bread, 468 pounds of coffee and 14,976 chocolate chip cookies!
